## Hubworld Procession

Friday 20<sup>th</sup> June 12.30pm  
Alum Chine

All of the Cultural Hub schools are involved in this celebratory procession with music, puppets, creations and costumes, plus more surprises on the way down the Chine. The procession leads us to 'Sandworlds' on the beach. The procession starts at 12.30pm from the top of Alum Chine. Visitors should make their way to Alum Chine in good time for the start. Access to the Chine is via West Overcliff Road (please avoid Alumhurst Rd entrances). For parking, see overleaf.

## Sandworlds

Friday 20<sup>th</sup> 1pm - 3.30pm  
Saturday 21<sup>st</sup> 2pm - 4.30pm

See an array of fantastic Sandworlds, 10 individually themed areas of the beach created by young people from the participating schools, working with their teachers and professional artists. The Sandworlds will be laid out along the beach either side of Alum Chine for the public to visit on Friday and Saturday afternoons. Each Sandworld has different elements of performance, including dance, drama, storytelling, animation & film. There are lots of opportunities to join in, get creative and make your own contribution.

## Hubhuts

Friday 20<sup>th</sup> 1pm - 3.30pm  
Saturday 21<sup>st</sup> 2pm - 4.30pm  
Alum Chine Beach

At the centre is an area called 'Hubhuts'. Fourteen huts on the beach, each one presented and decorated by arts and cultural organisations from Bournemouth and Poole. Come and have a look inside for an opportunity to see what your museums, libraries, theatres, galleries and cultural development organisations get up to in their own shed! There is also a specially commissioned installation created by artist John Keys.

## Beached

Saturday 21<sup>st</sup> 9pm - 11pm  
Alum Chine Beach

As the sun sets on the longest day of the year we gather to mark the end of the Hubworld event with a performance fusing music, dance, fire and film, performed by a 40 strong ensemble cast. Loud, raucous and irreverent we round the night off with music and dancing on the beach until 11pm.

Gather on the beach at 9pm, and be prepared to party!

## Hubworld

is a celebration of a three-year project called the Bournemouth and Poole Cultural Hub. The Cultural hub has brought together local schools and cultural organisations to create inspiring learning opportunities for children and young people. We've worked with museums, galleries, theatres, libraries, archives, orchestras and a host of teachers, artists and creative people, not to mention some amazing children and young people. Hubworld is a two-day celebration that seeks to give you a taste of the ideas, concepts, skills and partnerships that have characterised the last three years. It all happens down on the beach at Alum Chine, and you are invited to come and join us. It's free. Be a part of the celebrations.

# Where is Hubworld?

All the Hubworld events are centred around the beach at Alum Chine, over a four-hundred yard area either side of the Chine entrance. Alum Chine is midway between Bournemouth and Poole in Dorset. From the West follow the A35, from the East follow the A338 or A35 to the County Gates roundabout (Westbourne). Alum Chine is signposted from here.

## Toilets

Toilets are situated at the point where Alum Chine meets the beach.

## Food

Vesuvio Restaurant is situated where Alum Chine meets the beach. There is also a take away facility run by Vesuvio next door. You are welcome to bring a picnic to the beach, but please remember if you bring a barbeque to dispose of it in the correct hot/cool bin provided near the Alum Chine beach office. Please note that fires are not permitted on the beach or cliff area.
